SAVE 36¢
Julie - Last year (that was a good year) you wrote in my book "Je - you've got to talk more" Aren't you sorry you said it. We've gotten to be good friends this year and I'm glad. It's good to have a variety of friends - I told you I Brother - you really added (was smart the color - * (especially those red nylons) Speaking of Rosedale - that's quit the place. Kinney, Brothers and you and Rand at 2.B. It's a good thing you two talked me into working. Think of the times I would have missed. 2.B. M.V. D.D. K. B. ?? *

Then there's always the time we went out to Bel Rave at 10:30, took a wrong turn, got there in the middle of the last dance, got stuck in the snow bank and looked like two dopes. That was one of the funnest times we've had.

All the times we went out to Arbutus and shopping - for Mathers Taylors Falls was (day - those two a lot of fun too. Good thing we made it. You and Olga and your sensitive skin. (Remember the) Something I'd never recommend (old clips) is going to see Never Sang for my Father. We had a really good time but the movie sure was boring. The "Xivory" *** friend was so funny.

Julianne —

I can't say that I hope to see you
Only because I know that we'll see
each other.

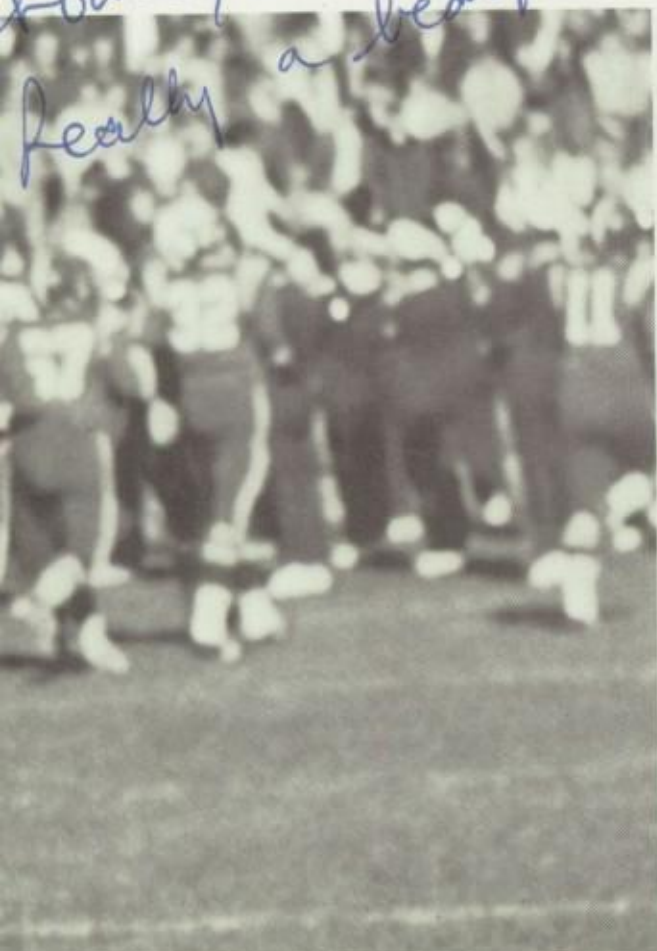

We've done some weird things —
like sitting in my car talking for an
hour that one night.

If we both make it up to the lake
this summer, let's try to do something
really crazy, like maybe skybinnyby —
dybip in the day or something equally
strange. We'll find some fun.

P.S. I'm Roy's sister.

Julie,
I really tried hard
to find you, but I guess
you weren't down there. I
remember all the times I beeped

feally a beautiful babe.

Homecoming: Re-Run 70

The 1970 homecoming skit presentations were led by Fagnet '70. Characterizing the majority of the skits were the frequent appearances of masculine but feminine shapes.

A variety of entertainment was provided ranging from Sesame Street characters to Queen for a Day contestants. Queen candidates were escorted on stage following each of their skits.

Instant Replay

Homecoming week started out with campaigning for queen candidates. Posters that had been prepared by each girl's campaign committee were displayed throughout the halls and students wore buttons supporting their choices.

During the skit presentations student excitement grew. Votes were cast by students and one of the girls was destined to be Ramsey's 1970 homecoming queen.

The glamour of coronation was set off from previous years. Members of the "gang", headed by Dick Frenzel, escorted the candidates to the stage. After the girls were seated, and the drum roll had begun, the crown was placed on the head of our new queen! Ramsey would celebrate its victory with a Beer, Rosalie!

Ramsey's football victory over Mounds View topped the homecoming festivities.

All attending the dance in the evening welcomed the relaxation after an exciting week.

Ramsey students provided several hours of entertainment with games singing and skits. The annual hi-light of the afternoon was the presentation of gifts by Santa Chip.

After cookies and punch the children left with happy faces and toys to remember the afternoon by.

Ramsey's 1970 track team, led by Dave Mortenson, captain, ended the season with a second place conference standing. Mortenson was also voted most valuable, with Mark Gilmore being voted the most improved. Out of a total of thirty trackmen, there are sixteen returning lettermen. These include co-captains for next year, Carl Brandt, and Bill Souther. In the conference meet, there were two individuals who took first-places. They were Gregg Langer, and Mark Gilmore, both on the hurdles. Gilmore set a new conference record with a time of 39.1 seconds. There were also two relay teams which took first-place honors. One, the 440-yard relay, included Dale Ahrens, Chris Olson, Bruce Gerboth, and Joel Ludwigson. The other, the mile-relay, included Dave Mortenson, Craig Granse, Mike Phippen, and Bill Souther.

Batboys Have Good Year

The 1970 Varsity Baseball Team coached by Mr. James Carlin finished the season with a six-six—win-loss record. The captain of this year's team was Bill Cafferty. Bill Cafferty, the team's outstanding first-baseman was awarded an All-Conference position. Returning Lettermen next are: Greg Alton, Dave Bonestroo, Tom Brigl, Jim Heller, Dave Kath, Charlie Shiue. Next year's coach is Mr. John Strand. Batboy and team mascot this year was Tom Carlin.

The Rams Do It Again

It was a great season for the Rams in soccer this year. Led by captain Dave Bonestroo and coached by Marc Brottem, they again ended the season with a first-place spot in the conference standings, for the third year in a row. Their final record for the 1970 season was 9 wins, 1 loss, and 2 ties. Three Rams made All-Conference: Seniors Dave Bonestroo, Terry Carlin, and Vern Svac. There were nine lettermen who returned this year, and next year Coach Brottem should have another great season with nine again returning from the junior and sophomore classes. These include Paul Baden, Tim Cochrane, Joe Elling, Steve Larson, Greg Schmidt, Tim Thompson, Jack Stutsman, Tony Vierling, and Dave Tegenfeldt.

Touchdowns '70

The 1970 Varsity Football team, coached by Lars Overskei, ended the season with a second place standing in the conference. Co-captains for this year were Joe Garry and Jim Heller. Although they started the season with three straight losses, they regrouped their efforts and finished the season with a record of five wins and four losses. This was a real accomplishment and Coach Overskei said that "at the end of the year they were as fine a football team as any in the state." All-Conference positions were awarded to Carl Brandt, Joe Garry, Jim Heller, Dave Kath and Doug Pahl. Next year's team will consist of seven returning Lettermen.

Busch-Men

Come Through

Coach Busch has described the 1970 Cross Country team as being just a few "seconds" away from a very good team. Although we were unable to qualify for the state meet our showings in the district and region meets were impressive.

This year for the first time in Ramsey history three sophomores were lettered in Cross Country. Paul Nelsen proved to be an outstanding runner. He placed first in every meet for Ramsey. Altogether there were ten runners lettered this fall.

All in all, co-captains Len Sonterre and Tom Heinig and their teammates had a very good year.

Score, Score, Score

The 1970-71 hockey team was probably one of Ramsey's best. The captain of this year's team was Steve Curley. Although there were several very excellent teams in the suburban conference, the Rams were among the toughest and most competitive.

The high scorers are Craig Avidson, Mark Eagles, Bob Graiziger and Pat Phippen. The injury of Mark Eagles was a distinct disadvantage to the Rams but they continued on in the final conference games to finish up the season with a very impressive record.

A lot of hard work made the B-ball team worth following. They provided many exciting moments for their fans.

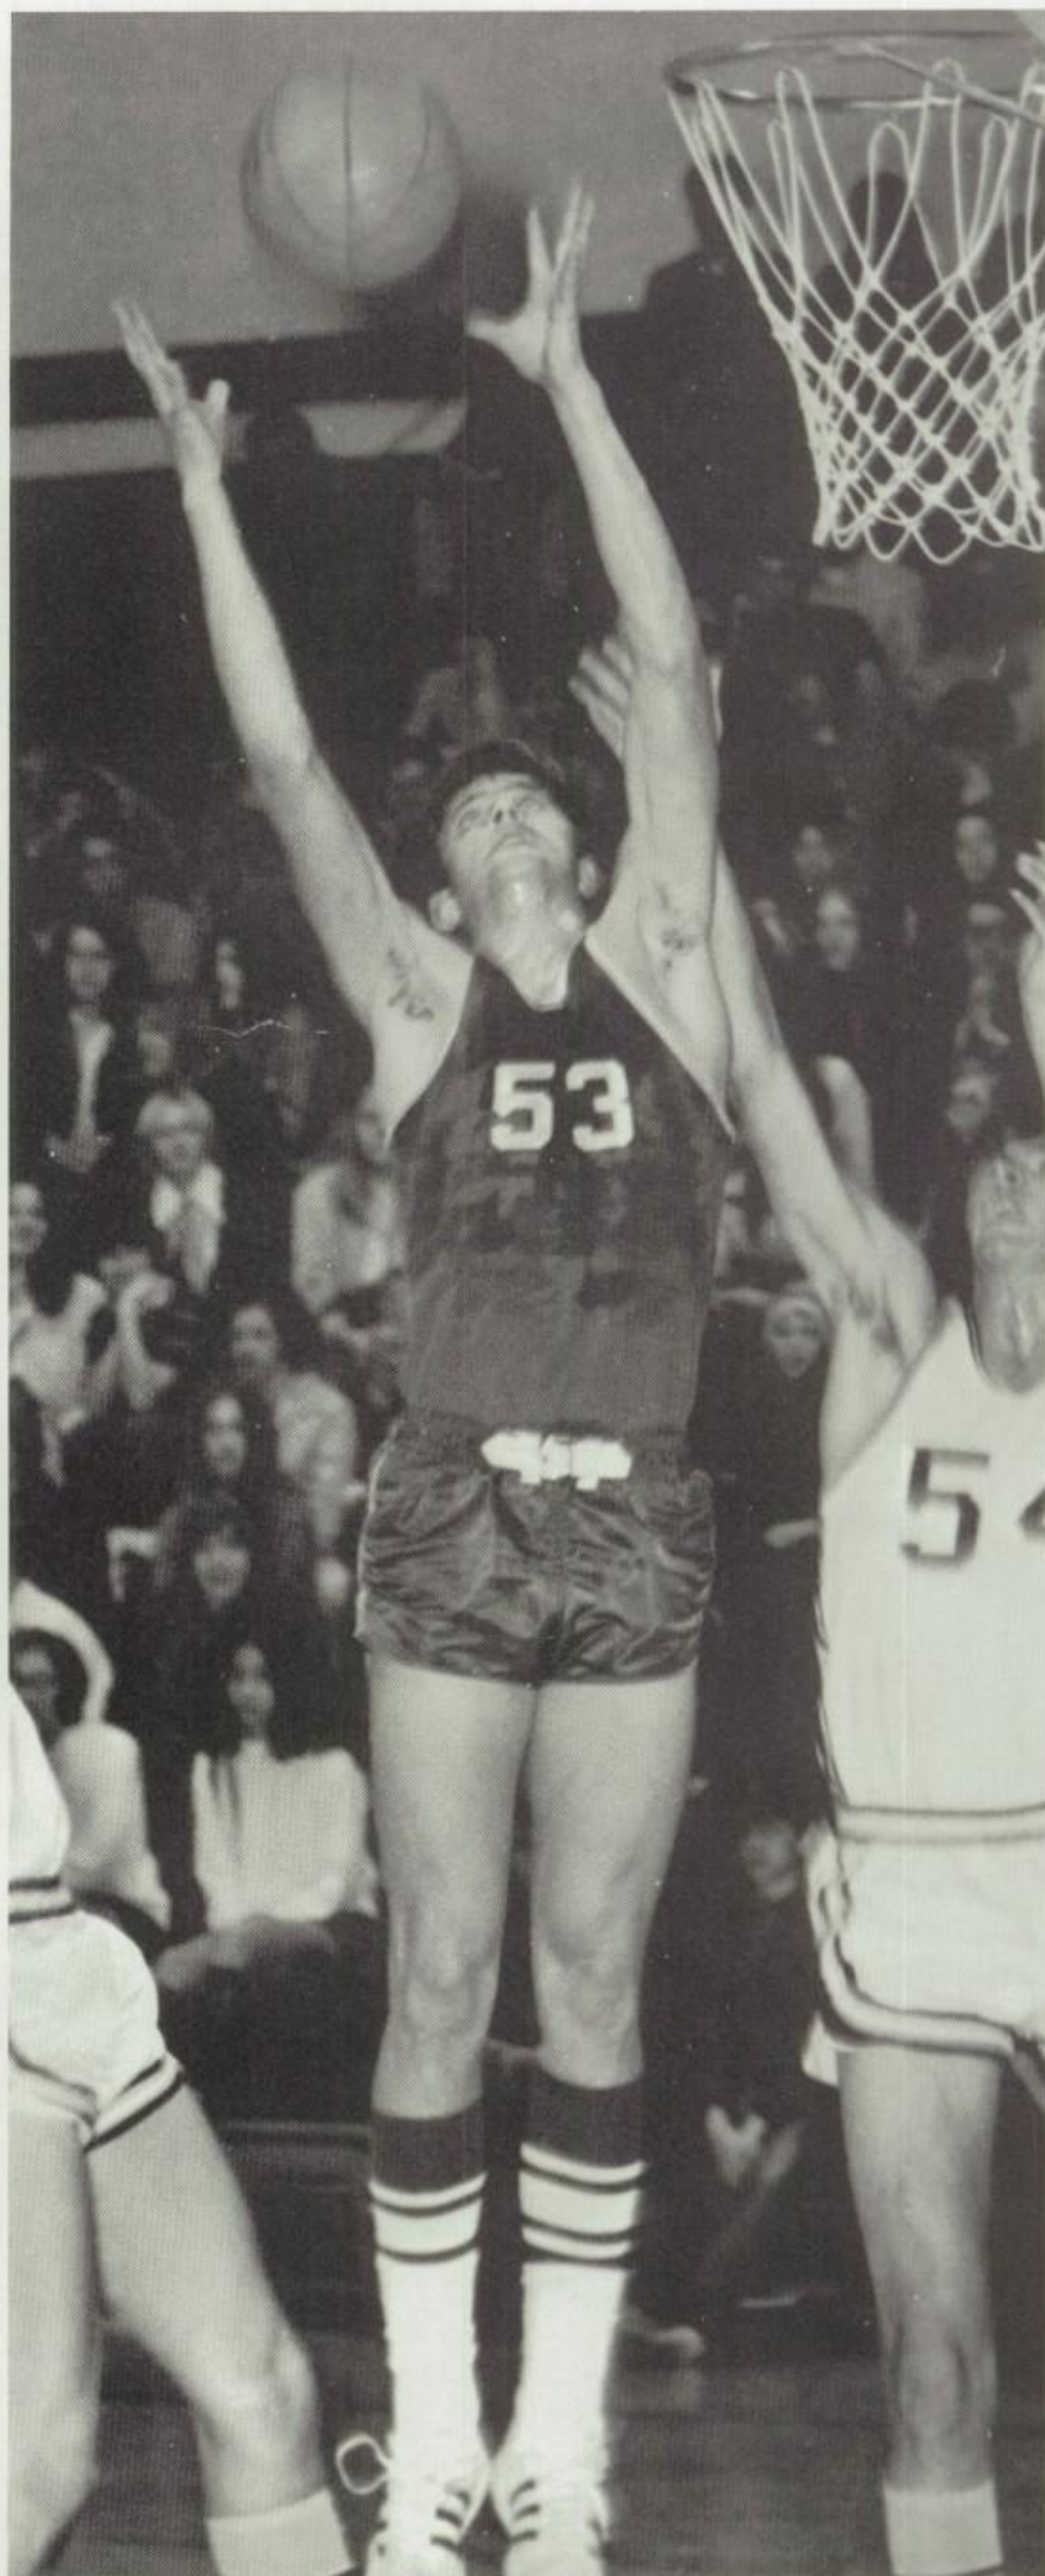

Seniors Dan Carlson and Dave Bonestroo and junior Jim Ellingson were high scorers for the team this season.

New Coach= Good Year

This year Ramsey had a new swimming coach, Under the direction of Mr. Ramponi, who took over for former coach Mr. Shira, the tankmen had a fairly impressive season. Working along with diving coach William "Mike" Anderson, and co-captains Mike Kuhl and Paul "Chip" Fechter, Ramponi was able to put together a real team.

Coach Ramponi put together a power relay consisting of Tom Leaf (breaststroke), Paul Fechter (backstroke), Mike Kuhl and Bob French (freestyle). This relay pulled the team through in many of their meets this season.

The 1970-71 Ramsey Gymnastics team recovered easily from a not too great start this year and moved along quite well through the rest of the season.

The team was ranked fourth in the state and the boys proved themselves well by placing three gymnasts in the Mankato Invitational Meet. Jeff Benson placed sixth in floor exercise and Chuck Michels placed fourth on the still rings, while co-captain Brad Nelson placed sixth on the trampoline.

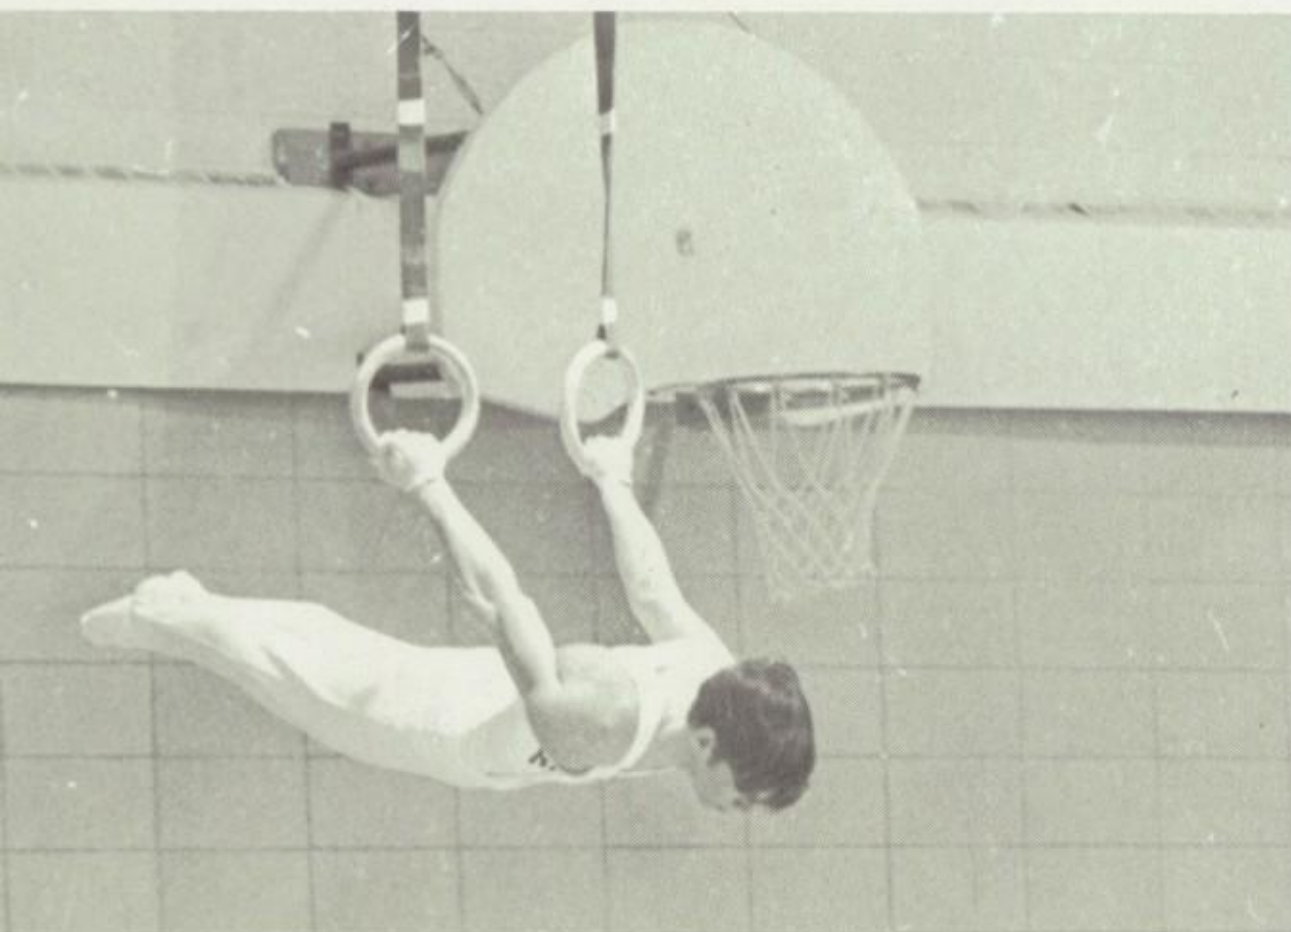

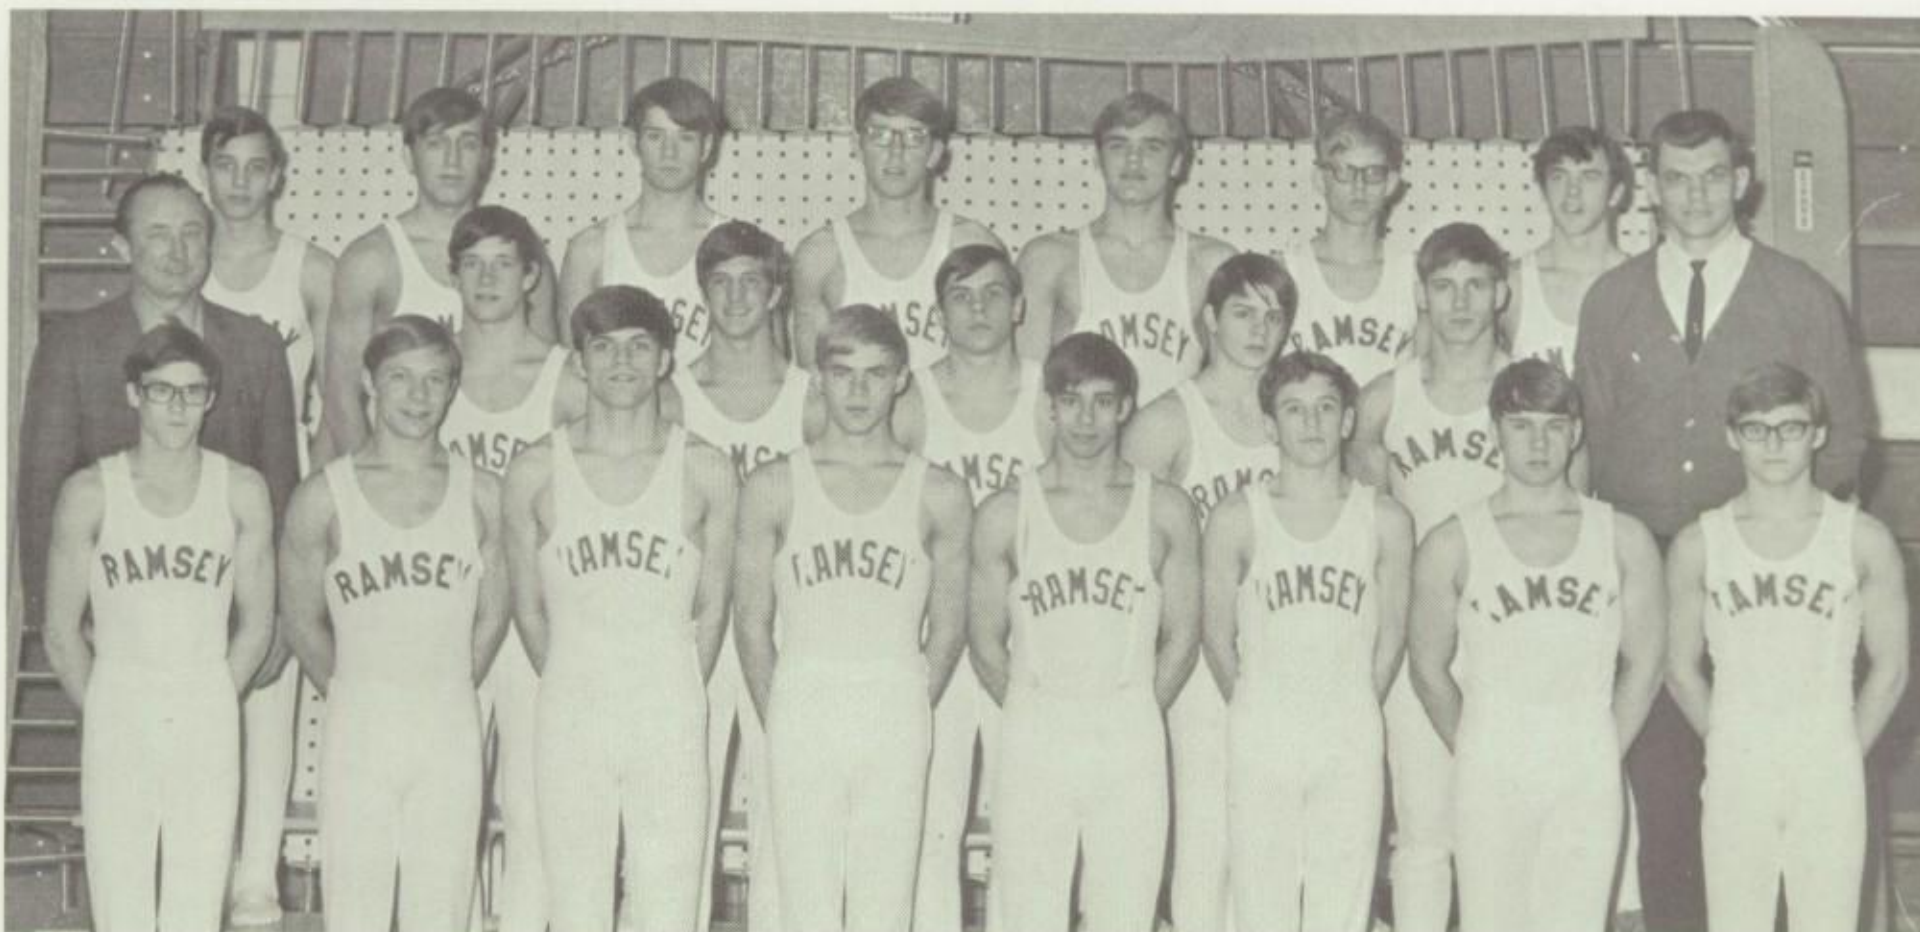

This year's co-captains were Brad Nelson and Bob Johnson. Outstanding gymnasts were: Paul Baden, Jeff Benson, Rick Berqual, Mike Brakke, Ron Doncits, Pete Erickson, Bob Johnson, Chuck Michels and Brad Nelson.

Sophomores Contribute

Sophomores contributed a great deal to make the 1970-71 wrestling team a good competitive team. Especially outstanding was Dale Swanson who wrestled at 95 pounds.

Mr. Ken Bergstedt, working along with Mr. Paul Busch and Mr. John Lewison, were vital to the team's growth.

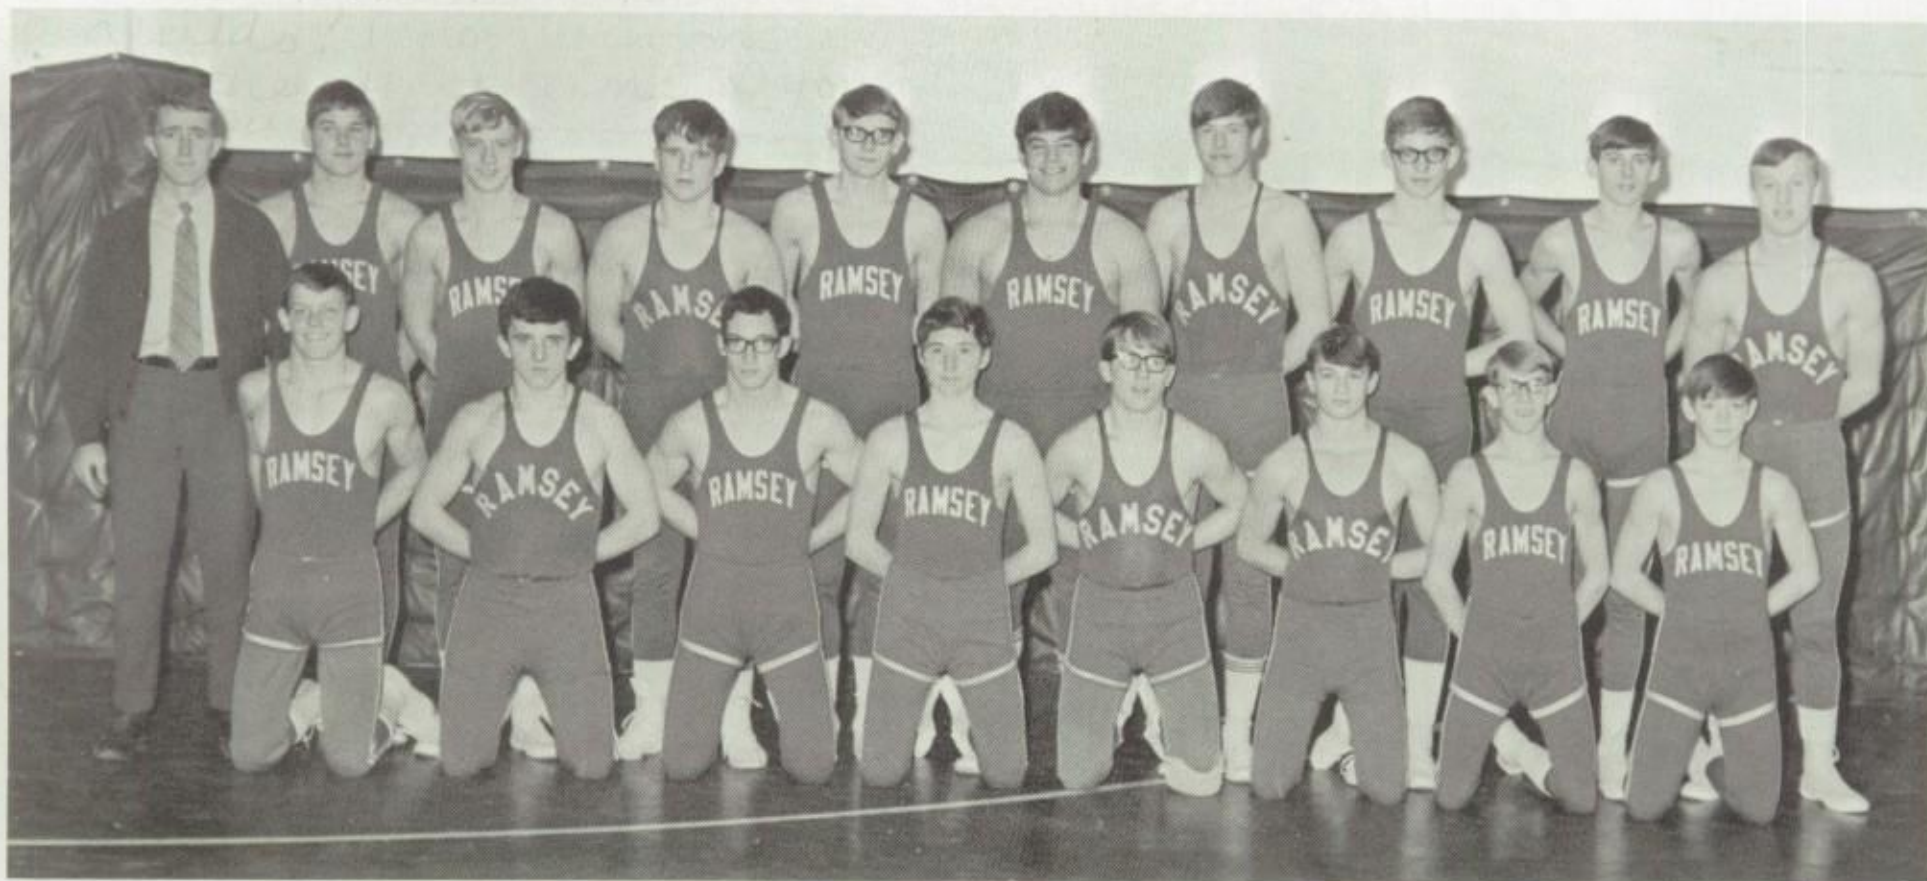

Co-captains Ray Hermanson and Charlie Shiue were an important part of the team's performance.

Then finding out that I had to sit next to you for a

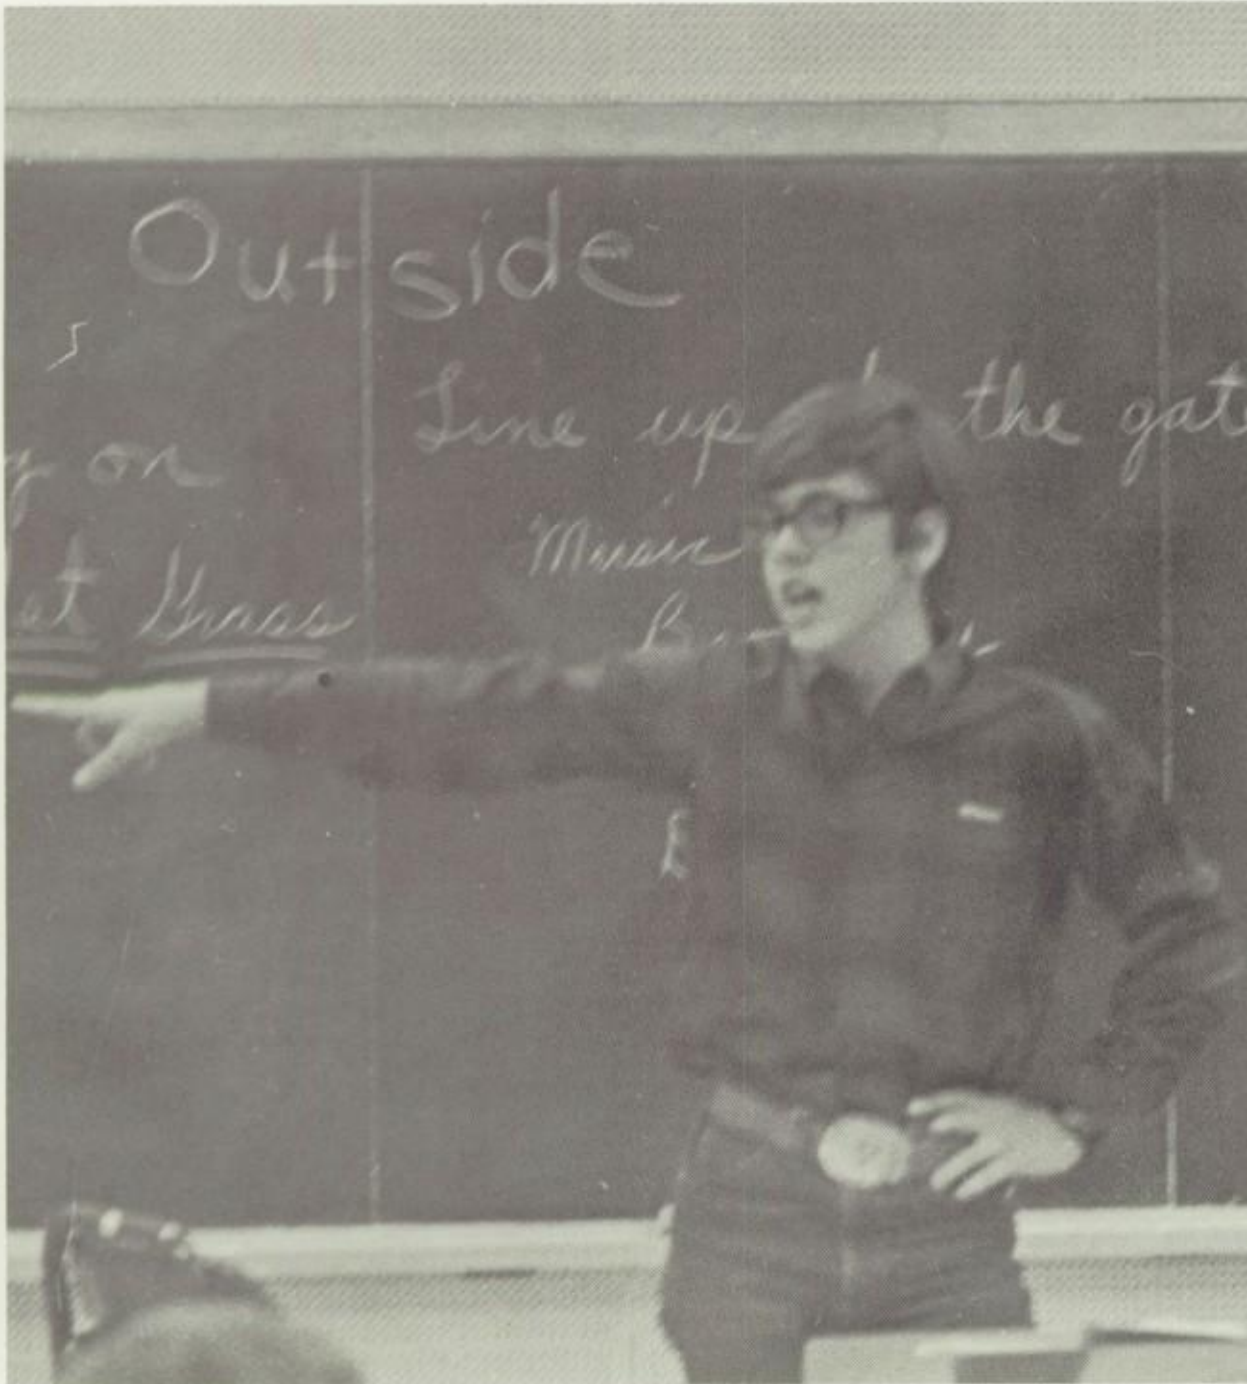

a whole year of O.C. - I would never talk to you... the one who went out with Y! man! Remember

over that football game with Greg and Jim Rice? When we were riding on their backs? That was really something! Or when Debo got so gross the day we picked up that blonde "rock" that turned out to be not so cute! (going my way?) How about the day we got everybody in 5th hour on our back talking (or yelling) about practically nothing! Someday will have to get together with Greg and Jim and take a visit to the cornfield - it could be really big!!

Councils Create Involvement

Student Council representatives were nominated and elected in English 10, American Studies or History and Senior Social classes. Some of their projects this past year were sending twelve dollars a month to a child overseas, donut sales in the cafeteria, a Christmas party for underprivileged children. Mr. White served as advisor.

Canteen Council also started off with new members, projects and ideas. Sponsoring the Queens Homecoming Float was something new.

Rambler

Reviews 70-71

Do you know who is responsible for the production of such a farout yearbook this year?

It's the old and new members of the Rambler Editorial Staff. Ever since the first day, they had combined some of their time, most of their energy, and all of their wit. Just so you would have such a great yearbook to remember your (1970-71) year at Ramsey.

The Rambler Business Staff has also given time and energy to raise money for the publication of the Rambler.

Under the supervision of Miss Ronning, a new instructor of the business staff, students got under way to sell and distribute the yearbooks.

Orchestra

Has New Director

The Orchestra was directed by Mr. Harris a newcomer to our faculty. The sophomores as usual outnumbered the upperclassmen in the Orchestra, but there still was a friendly atmosphere during concerts and practice. The Stage Band was again directed by Mr. Hallquist who also directs the Varsity and the Concert Bands. The Stage Band played at the coronation of the Homecoming Queen and at the coronation of the Snow Week royalty.

Choir and Girl's Chorus Perform Well This Year

The Choir and Girl's Chorus sang at several different concerts. They had one at Christmas time with the Orchestra. They also sang at Northrup Auditorium. At the memorial service for Jane, Judy, Nancy and Vicki, the Choir also performed.

Foreign Clubs At Ramsey

What is the purpose of the German, French, and Spanish clubs? To stimulate a personal interest in the language and learn about the culture of the countries that speak the language. Also to learn in a relaxed atmosphere and to make a language fun. While having fun all the language clubs had one big Christmas party. French club played games, gave skits, went Christmas caroling, and saw French films. German club had their fun by holding a banquet on Lincoln's birthday, and they went Christmas caroling and gave a play.

The money from the Folk-Rock concert helps to bring A.F.S. students here. The kids in A.F.S. are interested in foreign lands and people.

Friendship Through Understanding

When I first came to this country, I had the impression that I was going to be trapped for one long year. Everything seemed to be so different from the environment that I was used to and for this reason everything seemed unacceptable.

Now the differences between my way of life and that of America, if they haven't disappeared, are in a new dimension. I try to understand and accept the different ideas of my new friends as well as they understand and accept mine. And I think that this is the key for the new dream era in the world: differences amongst peoples will be lost maybe forever, but what we can do is try to know how others feel and try to understand them. When we don't insult one another on the basis of silly nationalistic motives, then we can start to talk.

Sergio Arcai
A.F.S. Italy

Friendship is the principal fact that I have noticed during my stay in the United States. Through that friendship I have been able to understand that people all over the world are alike. We all have the same feelings and wishes toward things and ideals.

I want to thank all of you because your participation in my AFS life made my days at Ramsey very good good days. I have really enjoyed going to new classes and making new friends. Now I have a better concept about people's understanding and I also have a lot more experience.

Because of all this, I want you to know that I will never forget Ramsey.

Students Plan For Tomorrow

F.T.A. or Future Teachers of America helps students gain better knowledge and understanding of educational aspects.

Peggy Lindal and Sue Stangl, along with Miss Carlson, started the year off by helping the mentally retarded. Various other projects also took place during the year.

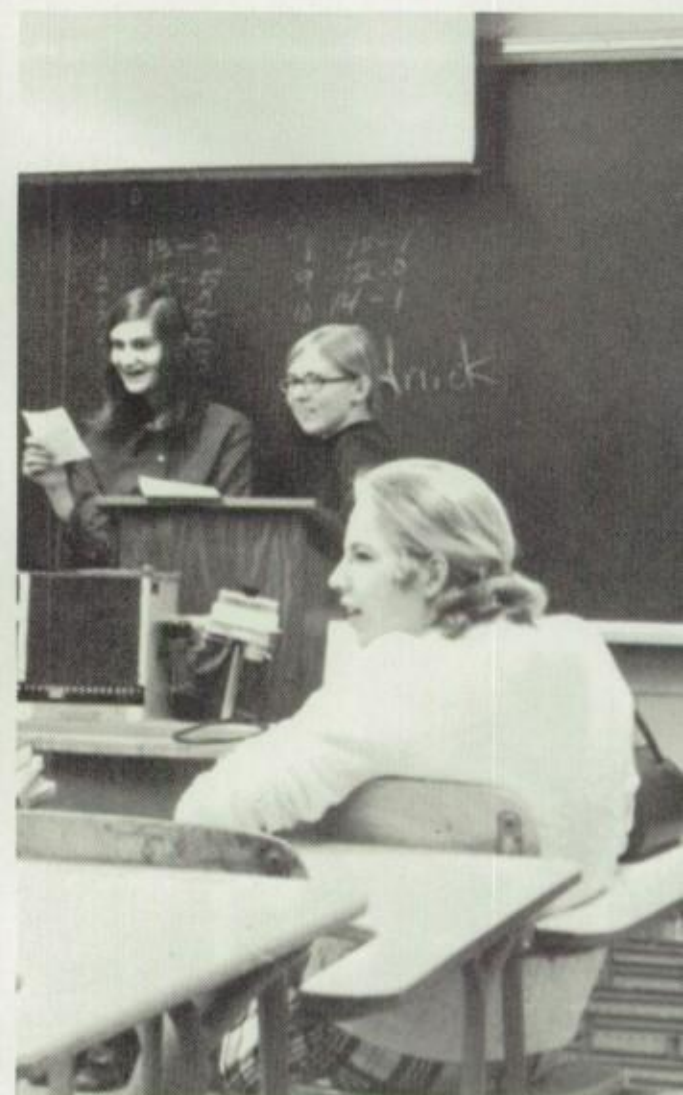

The Junior Academy of Science Club is very exciting and rewarding. It is designed to help the student grasp a better understanding and knowledge in the field of science.

Any student could join, but most planned to go into the field of science later on.

FHA

Successful

The Sophomore as well as the Junior-Senior FHA under the direction of Miss Abraham, started the task of becoming the homemakers of tomorrow.

With discussions and field trips, students joined the club eager to participate.

This year FHA was a real success and we look forward to a better club in years to come.

Looking Ahead

Besides entering state contests and attending conventions, Deca club members managed the school store as part of their activity. Vica members sported their red jackets on many occasions. They frequently had breakfast meetings in addition to attending the Vica convention in Minneapolis.

The Teen Corps had an active year. They were concerned with getting students involved with others outside of school.

Ramsey office Ed. club attended two conventions and entered the state contest. Members are in the office on-the-job program.

The Services Serve Ramsey

What did the Service Clubs do this year? Art Services and Lab made posters and other types of announcements. Stage Crew set up the stage for all the lyceums and plays. Printing also printed announcements and took care of the programs for concerts. Computer Club was more of a "fun and learning" activity but they assisted the teachers with a lot of the math busy work.

Ski Club Gives Them a Lift

This year Ski Club got off to a "flying" start. It organized an executive board to hold separate meetings because the attendance at general meetings was so high. Many ski trips were planned periodically throughout the winter.

Pep Club Supports Our Athletes

Pep Club members were great supporters of Ramsey's teams this year. Some pep club members made posters that were hung on walls around school giving encouragement and support to the teams. Pep fests also took place.

Ninth graders—future sophomores appreciate the dance given for them by the Lettermen Club. An orientation dance is given each spring.

For Blue and White You'll Hear Our Cry!

The Majorettes were out on the field for every football game doing different routines they had worked on. During winter sports they performed at the home basketball games with their lighted batons.

The Cheerleaders, as usual, had another busy year. They put in a lot of time and hard work, the result being a well-working squad.

Students Gain Practical Experience

Students gained practical experience by helping out in the offices. The attendance office assistants made up the list of absentees and also delivered messages. Aides from the high school office used the intercom in addition to answering the phones. Assistants from the guidance office helped students make appointments with their counselors, besides organizing college materials. The office aides were students who liked the clerical type of work.

Students Help Out

The library assistants helped the librarian by checking in books and magazines. They also helped by shelving books, filing cards, and writing overdue book notices.

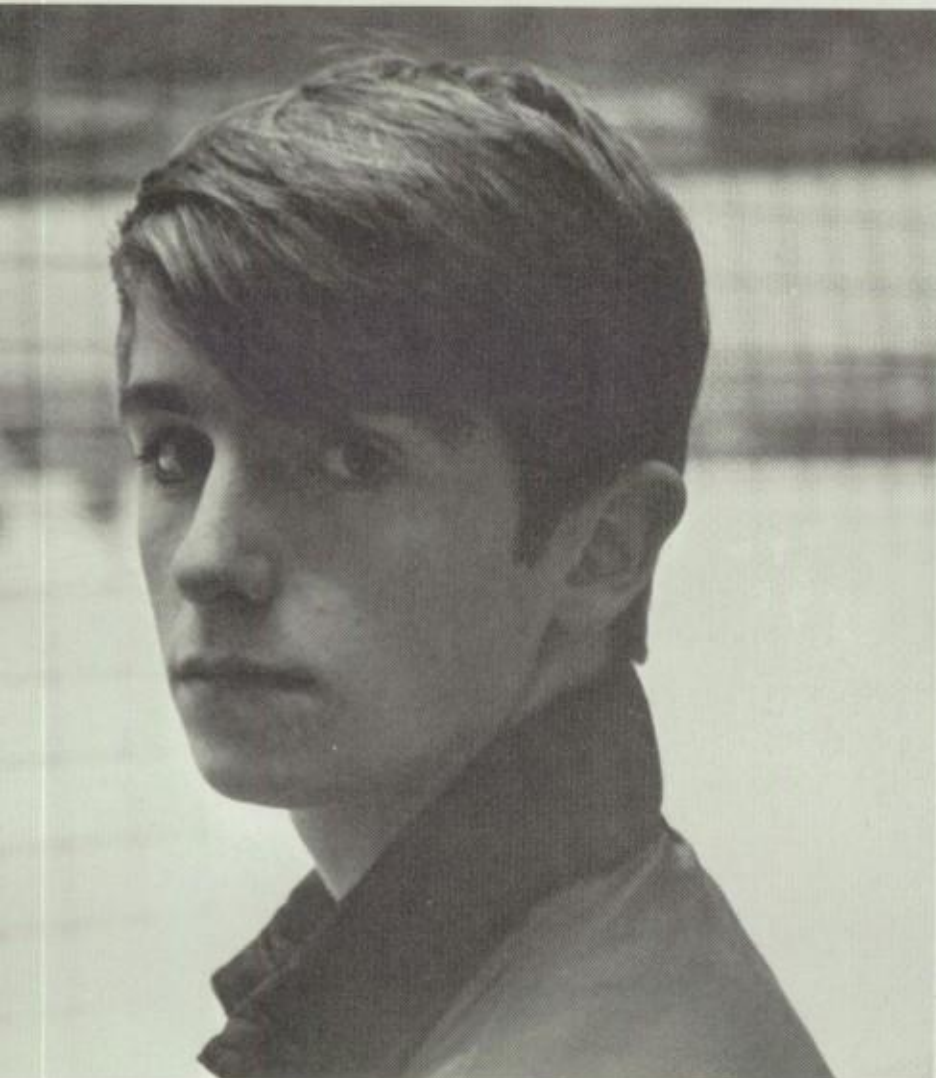

Students assisted the nurse by answering the phone, taking students' temperatures and by running errands.

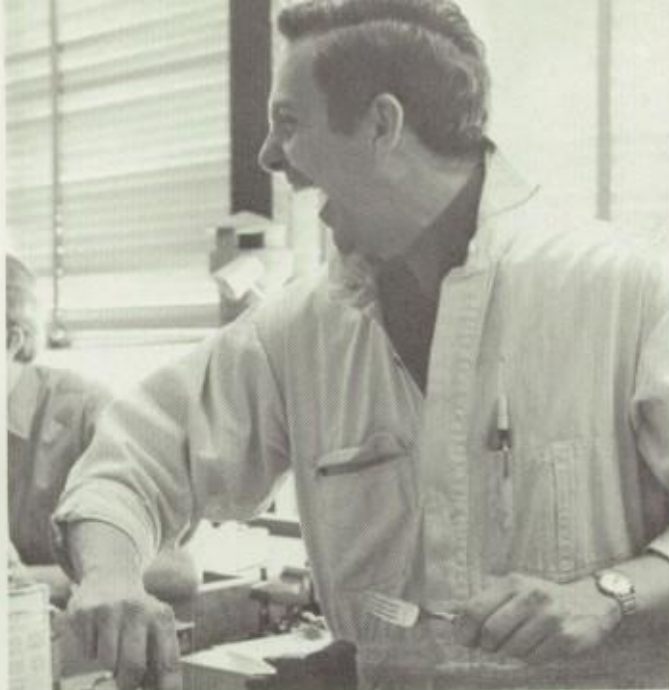

Supply store workers served students by selling them materials for class. They also sold other things not necessarily needed for classwork, such as sweatshirts. There was a large selection of books available for students who were bored with class or finished assignments early.

Cheese!

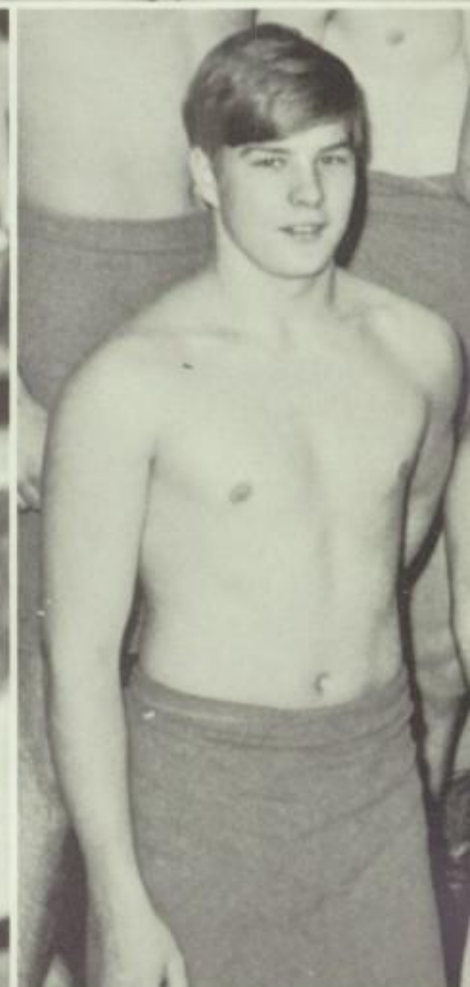

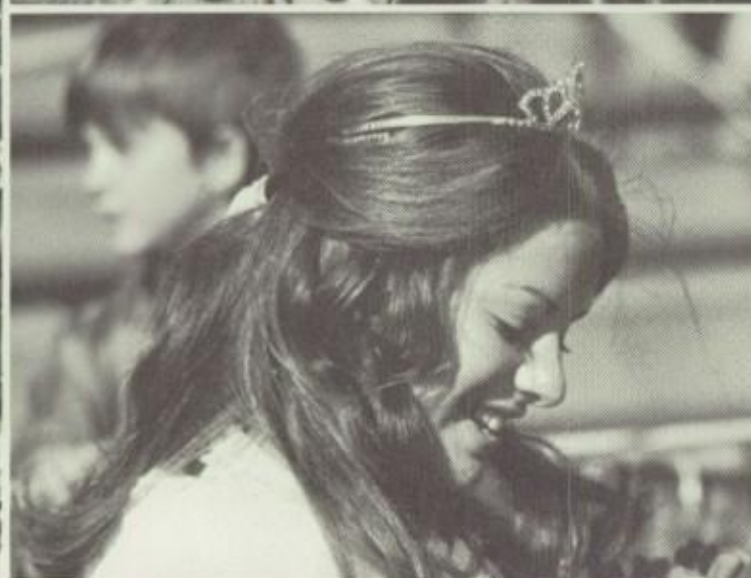

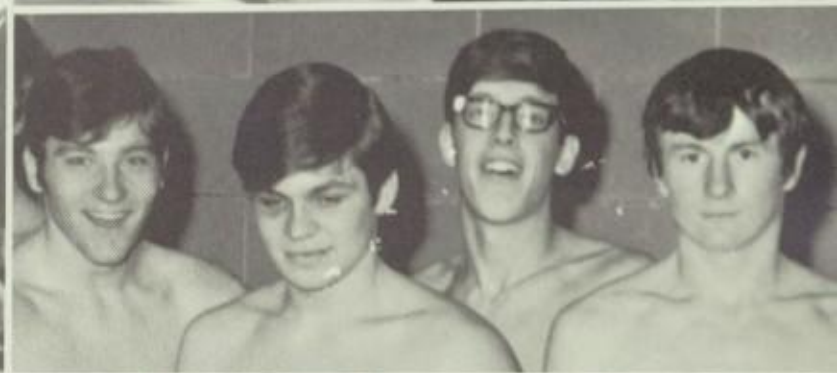

Without them the Rambler couldn't have been done. Or could it . . .? No, really, they took a lot of extra time and effort to finish photo assignments. And who could easily forget all the visits down to the photo room to check on long overdue pictures, only to learn that they were already sent up or that they never were assigned? Oh well, Rambler got finished in time and the Rambler Editorial Staff owes many thanks to everyone in the Photo Department.

Thanks for a good year,
Rambler Editorial Staff

Ramsey Covers More Ground

Change is inevitable. As Ramsey is a part of this era, she must in turn change, also. She became aware that her capacity was overflowing by the still increasing number of students. So began the constant flow of endless noises and varying odors through the spring and on into the summer. "Farewell dusty halls and disrupting sounds!" we thought but come September, we returned to the familiar sounds of labor. Along with it came the "almost" finished product. Brightly painted and carpeted English rooms and an efficient Science wing greeted us back to school. A month later, the library media center was opened to the students. Although this is the major change of Ramsey, there is another that will take place next year.

There will be a missing face among the masses. The familiar sign on his door will be replaced by another. Our Mr. St. Germain will have left us to move across the street to the District Office. Although time has covered up parts of the past, the memories still exist.

English Class

Individualized

Informal formality is the atmosphere in Mr. Smith's English 10 classes. While studying the novel, classes divided into small groups and each group read a novel of their choice. They also read "A Separate Peace", "The American Dream", and "To Kill A Mockingbird" as a class. In the poetry unit the kids read and interpret poetry and they also wrote their own. They study lyrical poetry as part of the unit and from that they study song, haiku, layments and odes which are just a few of the areas of lyrical poetry. This is just an example to show that the English classes are student oriented and that the kids have fun.

Social Studies

To Students

This year most social studies gave more responsibility directly to the students themselves.

Minnesota Project Social Studies, now in its second year, innovated a new unit called Africa South of the Sahara in which anthropology was studied. Classes were informally run with discussions, movies, speakers, and quiet study or research taking up the bulk of time.

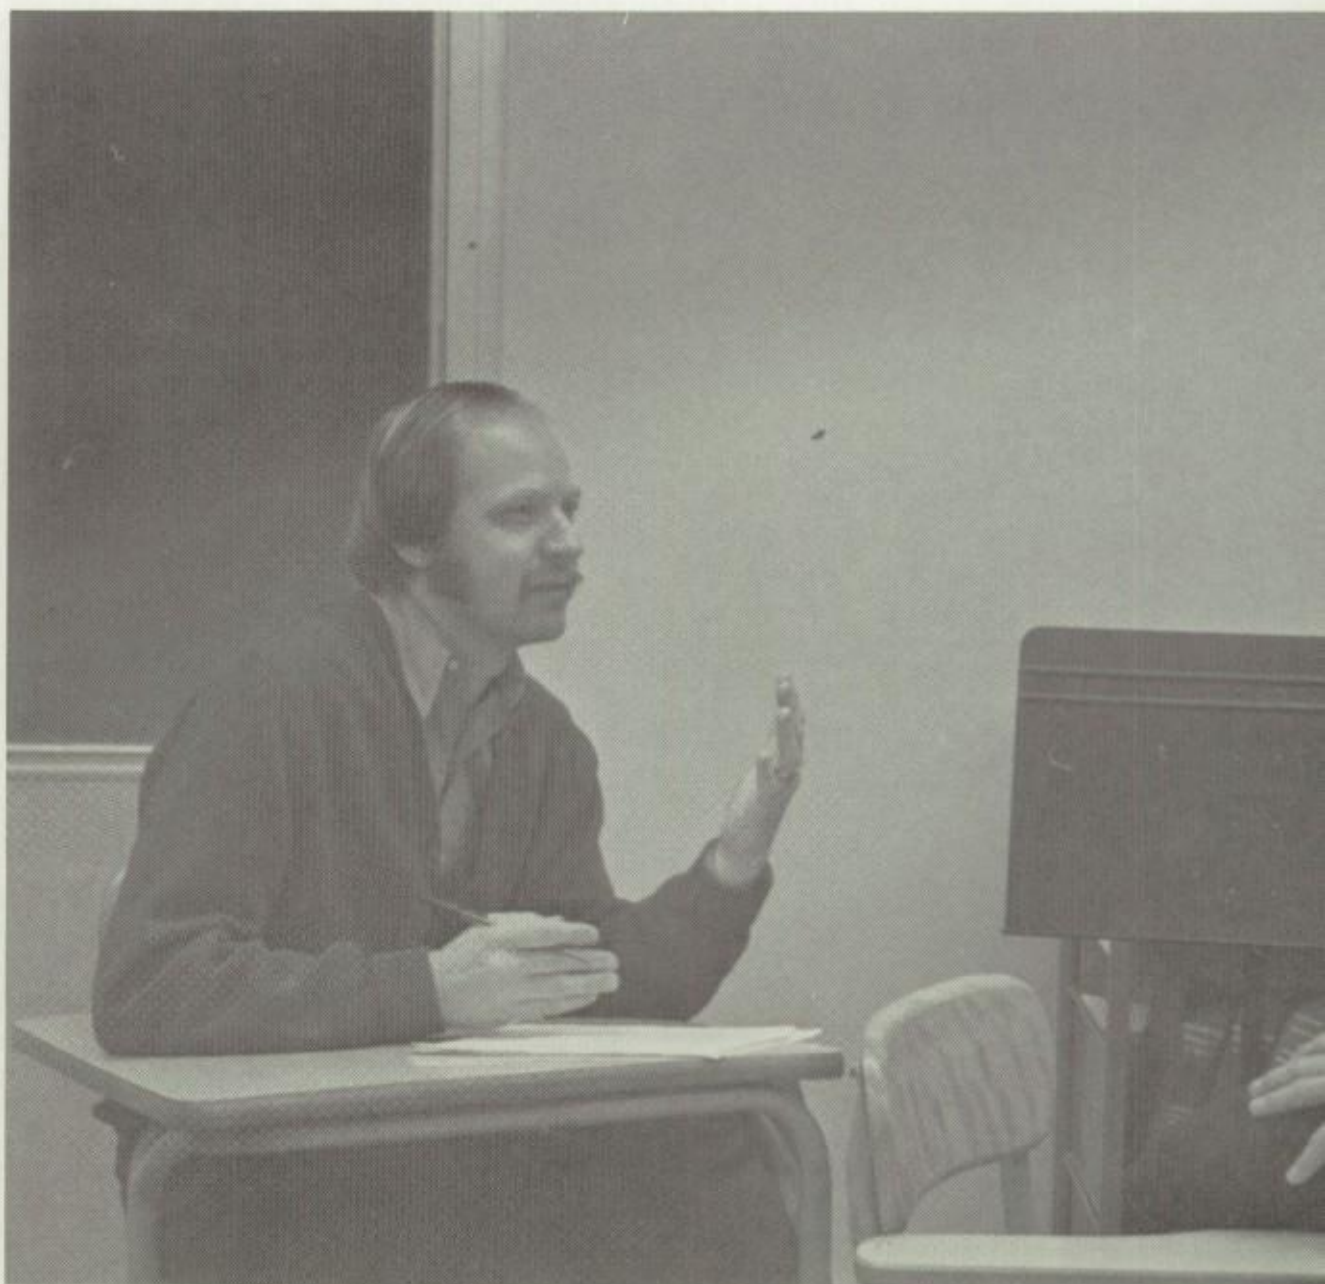

Psychology students visited Cambridge State Mental Hospital and will never forget running the mice through the mazes.

World Cultures involved the students in projects concerning the history, geography, politics, economics, and social systems of Western Europe, Russia, Red China, and India.

American History classes were more student oriented this year as students evaluated their own values through debates and mock trial.

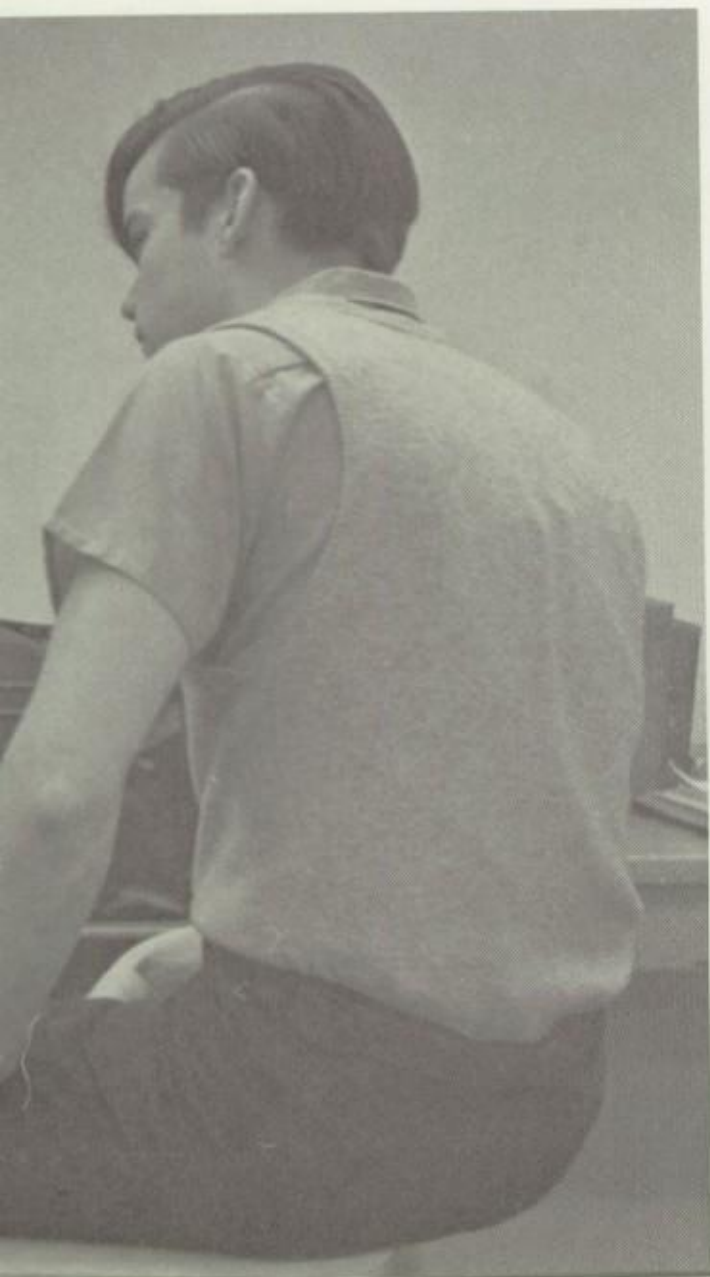

Teacher Orientation students will remember their hours of teaching but most of all those spent teaching retarded children to swim.

Literature and Methods offered the more independent senior a chance to explore almost any topic of his choosing.

Sequence

Inverted

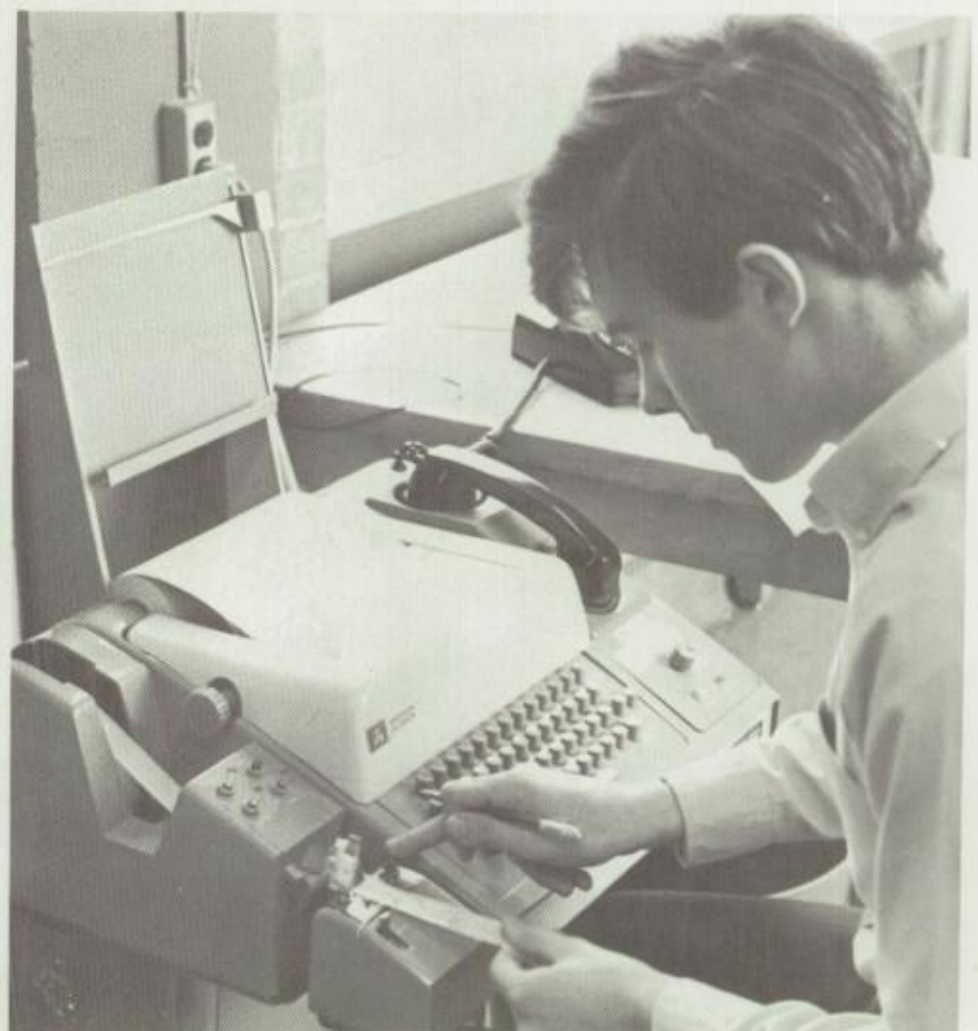

The biggest change in the Math Department this year was the inversion of the Algebra II-Geometry sequence. Sophomores and Juniors finally found something in common suffering through myriads of points, lines, and planes.

Seniors who had managed to struggle through those two courses still breathing trudged back to the math rooms and Advanced Math.

For students who wanted more practical applications classes like Business Math, Technical Math, Math Survey, and Statistics and Probability were offered.

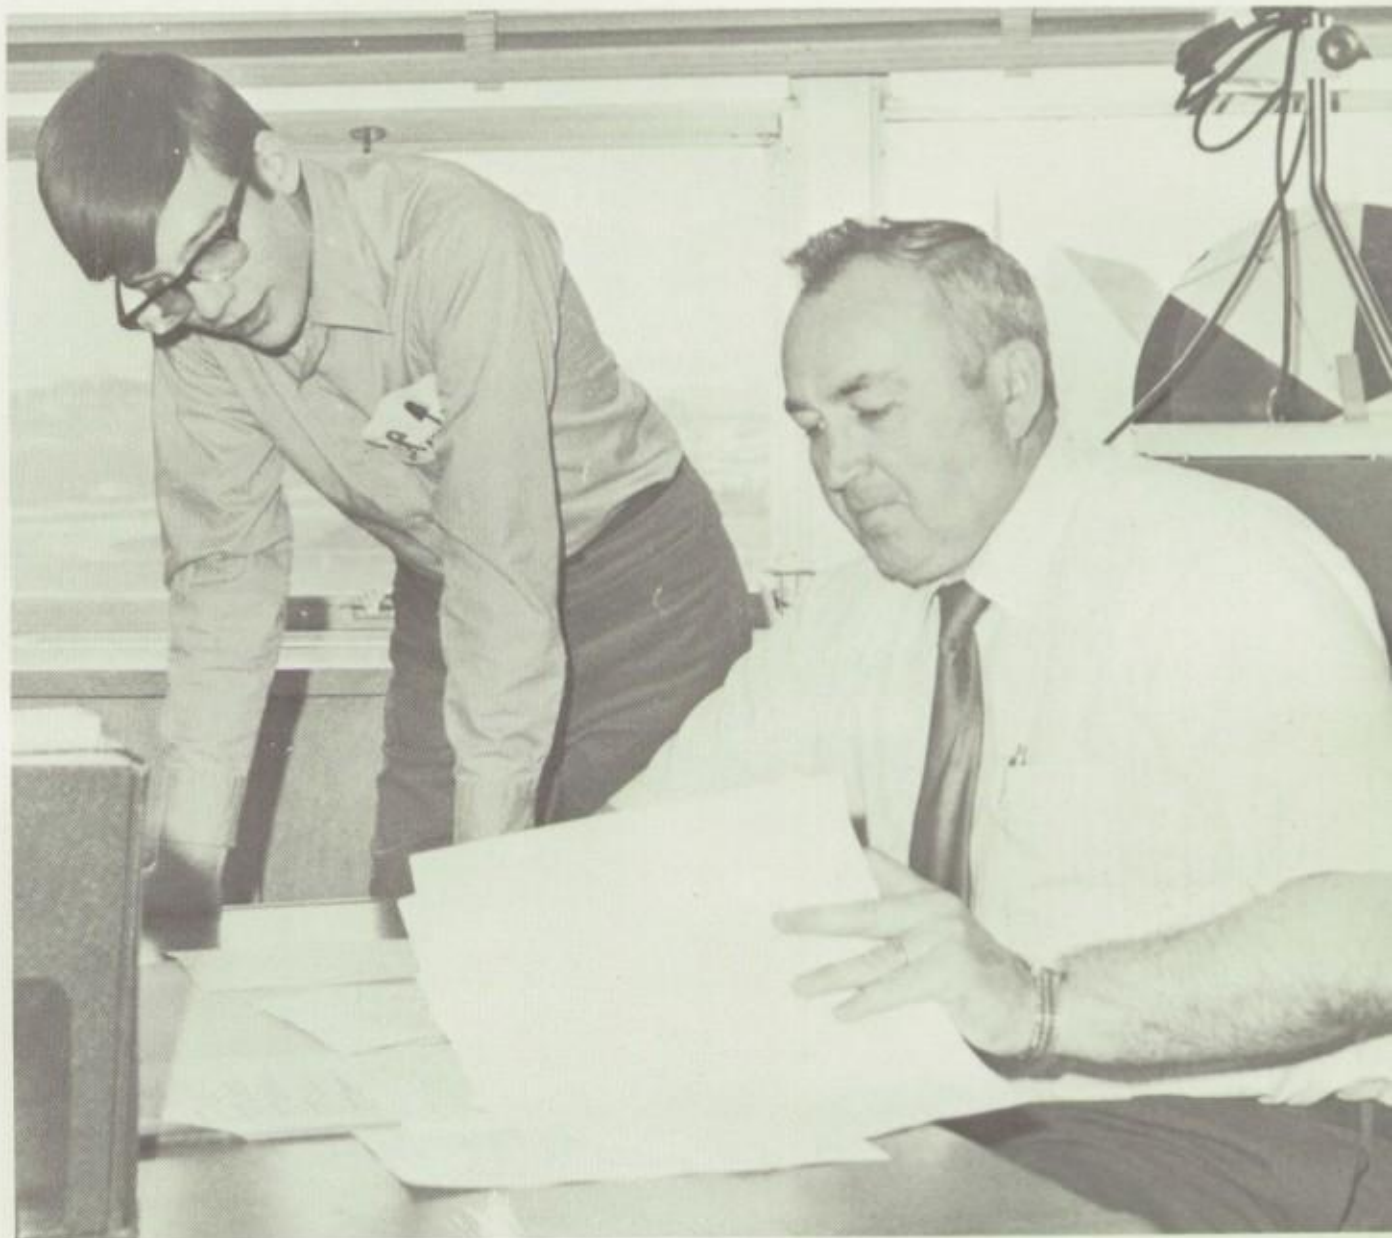

The computer, used constantly by Ramsey's computer buffs for the past three years, was introduced into the Statistics course.

For any Math student who didn't know which way was up a Math Help room was open every day during the 7th hour.

Science: The Ever-changing

The new Science wing was completed and ready for students at the beginning of the school year. The new wing consists of eight classrooms, (four on each side) with sliding panels between the rooms. In the center are the science offices. The Biology, Chemistry, and Physics teachers were kept busy just moving into the new wing. New equipment for the Science department arrived and had to be put away. Students stocked their own Science lockers with the necessary equipment, although the locks for the lockers weren't installed until December. In addition to the new science wing, and science equipment, there were two new Science teachers added to the staff Mr. Journey and Mr. Swisher.

Communication: Our Goal

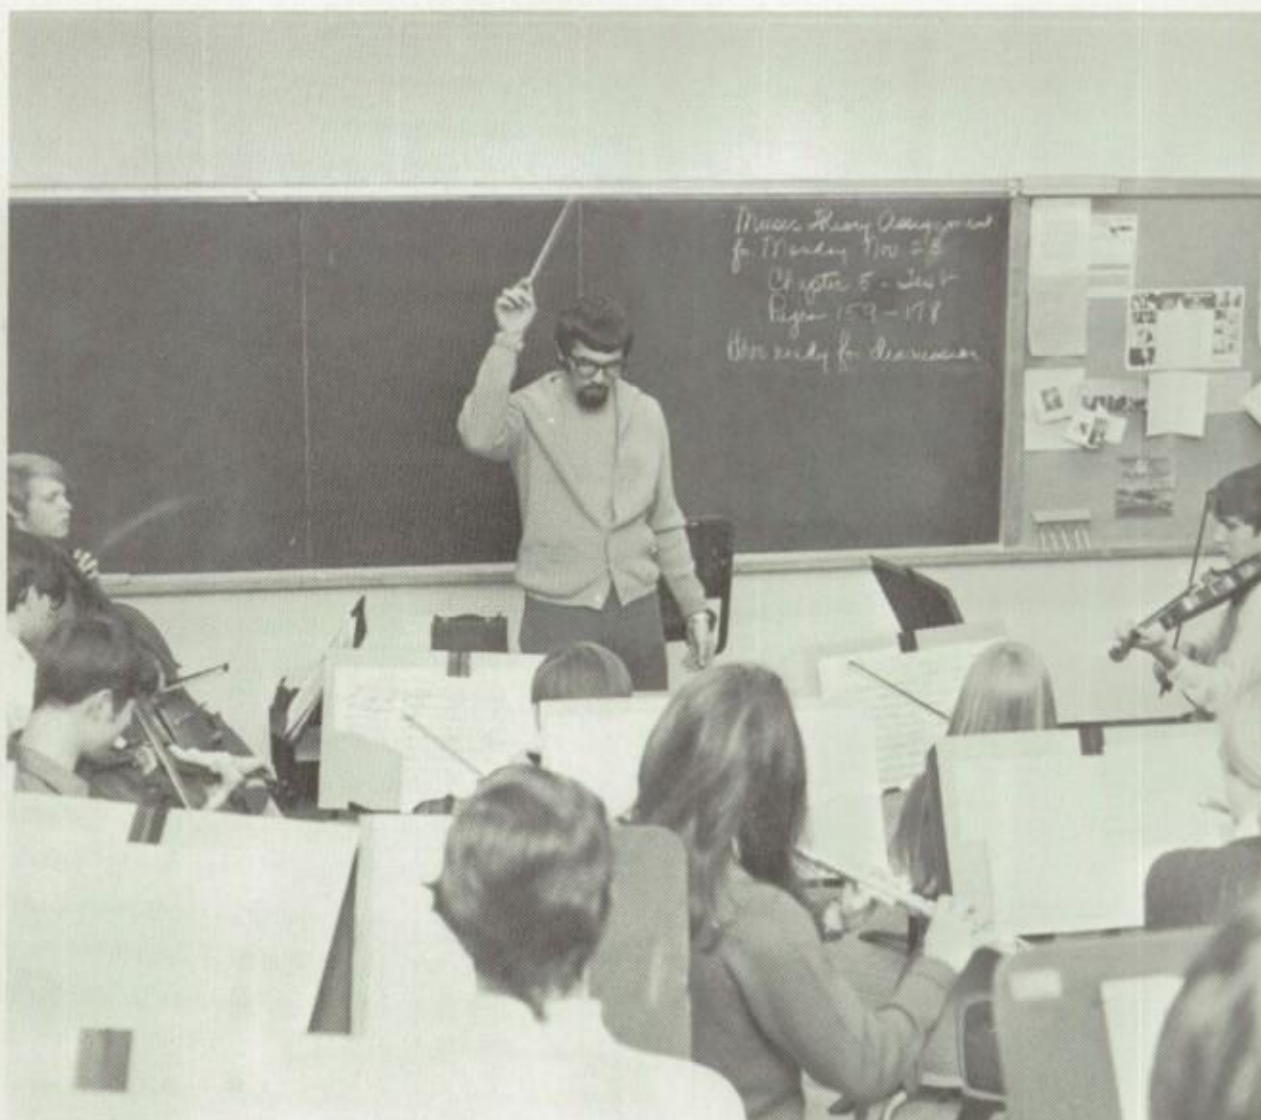

Communication, an existing problem in both this and the last generation. Our defense is Speech, Art of Film, and Drama. You have the chance to express yourself so use it!

The choice of languages were among French, German, and Spanish. Amity Aides added a little variety to these courses. German Ursula Grossenbrink, Christiane Suder of France, and Maria del Carmen Tovar of Spain are the Aides. As the beginning classes proceeded to learn the basic language skills, the advanced classes studied 20th century history or the history of the country through literature. Although there is a lot of work, beauty is found, too.

Music Theory Course Offered

This year the Music Department added a class called Music Theory taught by Mr. Brost. It was primarily for potential music majors. The students found themselves amidst transposing and composing.

Concert, varsity, and stage bands presented excellent concerts while the pep band ompahed their way through numerous athletic events. The orchestra performed well this year too under the new direction of Mr. Jay Harris. This was the first year that the choir's annual production of Amahl and the Night Visitor's was not given and it was missed.

Art Area

Revamped

Dabbling in jewelry, ceramics, sculpture, painting, printing, and weaving art students made good use of the expanded art facilities this year.

The "revamping" and the expansion were designed by the art teachers. They drew up blueprints to show where each piece of equipment should go. Added this year were a new gas fire kiln, five new floor looms, a new eight foot water-color sink, and two new acrylic sinks along with improved facilities for etching and lithography.

Wide Course Variety Offered

Pancakes and sausages, cookies and cakes, breads and candies are just a few of the foods that create the aroma that wafts from the home economics rooms as you pass by. The creators of these delicacies belong to food management, culinary arts, and food services classes. They will tell you that every creation is a success.

In clothing or contemporary society class you can watch the miracle transformation of cloth into a mini, maxi, or midi.

Family studies was as popular this year as last year. Rounding out the home economic's schedule were child development, interior design, and fashion art.

Resource

Center Opened

A stroll through the Industrial Arts Department during a free hour is more a whirlwind visit. The eager students pursue drawing, drafting, wiring, printing, and crafting wood and metal.

"Parents Night" was prepared for in the graphic arts classes while Electronics II took a tour of various industries including Control Data and KSTP-TV. Architectural Drafting classes designed homes and electronics students worked ham radio again.

Completed in January and housed in one of the Industrial Arts rooms was the new Resource Center.

World Waits

As We Prepare

Data Processing was a new course offered to interested juniors and seniors. A new teacher, Miss Ruth Ronning taught Business Law and arranged for them to visit court sessions. Another new teacher in the Business Department was Mrs. Carol Lind who formerly taught in California. Consumer Economics was offered as a new course to sophomores, juniors and seniors. The on-the-job programs included: Trades and Industry, Distributive Education, and Office Education. Mr. Yantes continued with his work experience program for the second year.

Greater Skills

Development

The Phy. Ed. Classes all had an exciting year, especially the sophomores when they had dancing. When they had dancing there weren't enough boys classes so some of the Advanced Phy. Ed. boys classes got to have dancing fun, fun, fun. The lucky sophomores had health on alternating days with Phy. Ed. Where the subject matter was mainly review of what they learned in ninth grade. In Phy. Ed. they learned new skills and emphasized conditioning skills. In Advanced Phy. Ed. both boys and girls learned advanced skills.

New Library Opened in Fall

This year the librarians had an extra big job. Late in the fall the expanded library opened. Before it opened the librarians had to re-shelve all the books, pamphlets, and magazines that had been stored during construction. More room has been given to quiet study booths and there are now four conference rooms.

Mr. Hanson spent his year just keeping up with the ever-growing demand for movies and film strips.

Counselors also had expanded facilities while they keep up with student demand for advise.

Behind the Scene Activity

Behind the scene activity kept Ramsey bustling and active again this year. The secretaries worked hard to keep pace with increasing student and teacher requests, the cooks prepared the meals which were used as a target for student discontentment, and the maintenance department cleaned a path to better educational atmosphere.

Gale,

Gosh, you're all done with High School now and I have to stay at this place another whole year. Ya know, you hate school when you're there but after you leave you kind of miss it. I guess this place isn't all that bad. Thanks to Kandie to get to meet beautiful me (Ha, that will be the day) Anyway, stay the nut you are. I wish you much luck in the future. God is always with you. Come and see us next year.

UNDERCLASSMEN

Juniors

Class of 1972

The Class of 1972 began the year off by participating in the election of junior class officers. Gary Faulhaber was elected President, Maureen Twining Vice-President, Shelley Street Secretary, and Betsy Doyle Treasurer. The juniors put on the entertaining fall play "Barefoot in the Park", in which Jean Craig, a junior had a major role. As usual, Juniors purchased class rings, took the MSAT test and participated in sports. After studying and suffering through their work the juniors diligently worked on the Junior-Senior Prom with all its beauty and tradition. It reminds juniors that they are finally upperclassmen.

Come Monday Morning

Sophomores

The Class of 1973

A new Sophomore must make several adjustments when arriving at Ramsey, from finding shortcuts to classes to being the youngest once more. When the bus rolled up to Ramsey that first day Sophomores viewed it with apprehension and junior high seemed far away. The first week was a mist of confusion with learning locker combinations, room numbers, new teachers and other students. After the first few weeks, things began to settle down and Sophomores became a part of Ramsey once again.

Two More Years Of Fun and Friendship

LEFT: B Squad Cheerleaders lead the crowd during a game. BELOW: This Sophomore boy seems puzzled by it all. LOWER LEFT: Seventh hour is a good time to catch up on your sleep.

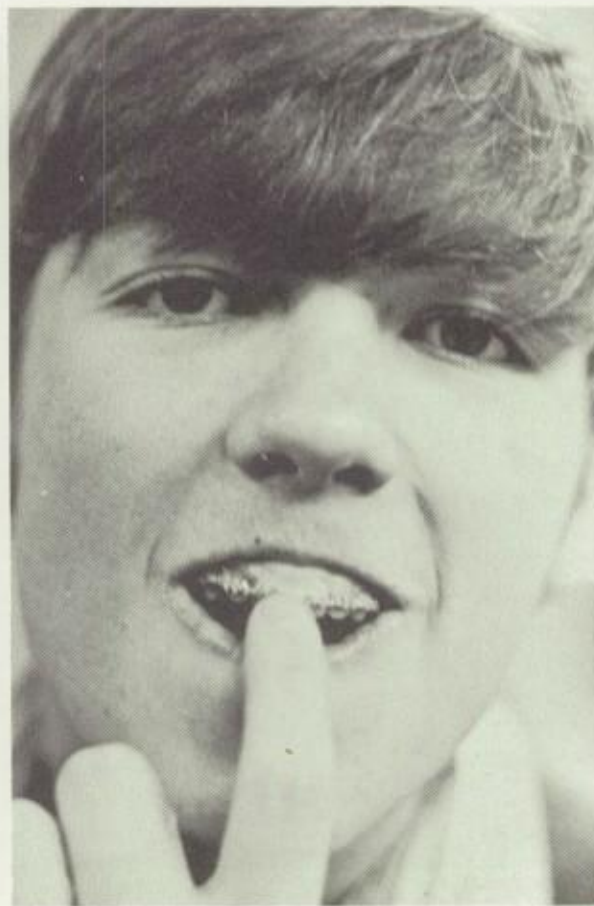

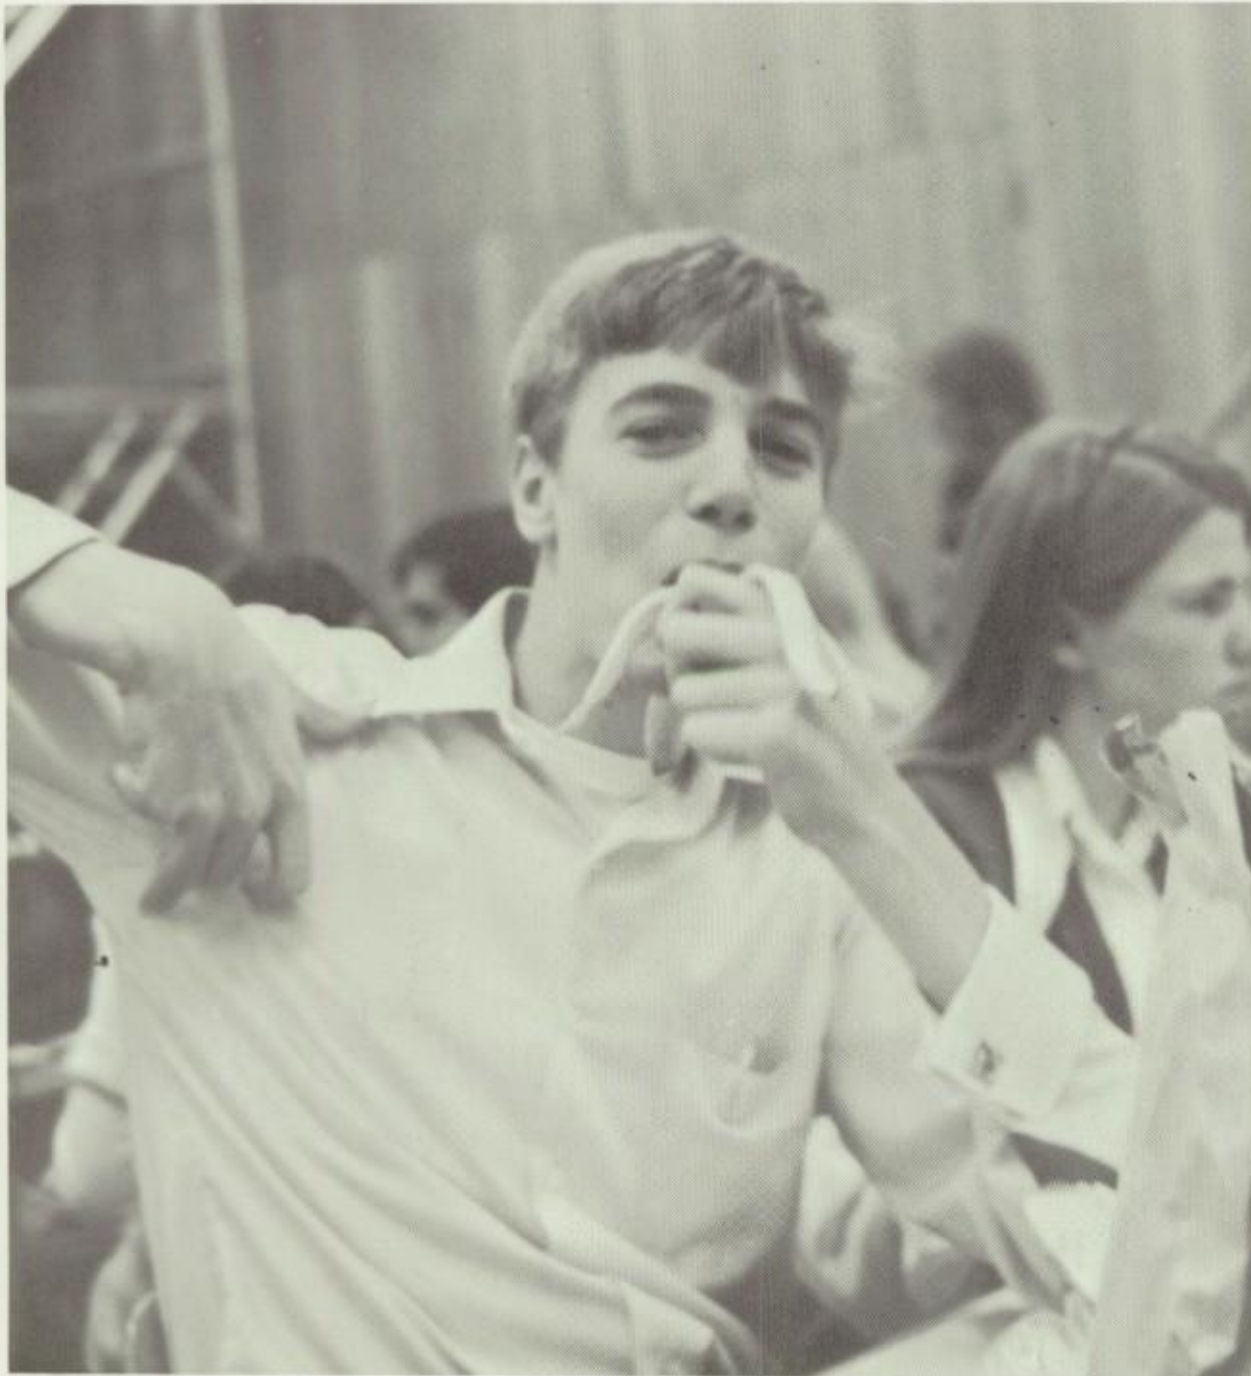

We ~~are~~ quite the artist, huh? But with someone like Mr. Ceryx gaining
 it's only natural - ~~SAD~~ - Really art this year was fun at least for the
 first two quaters - I don't know what
 we did better, or should I say worse?, the
 paintings or the frame's any way maybe
 we should go into the business - but on second
 maybe it would be better if we didn't.

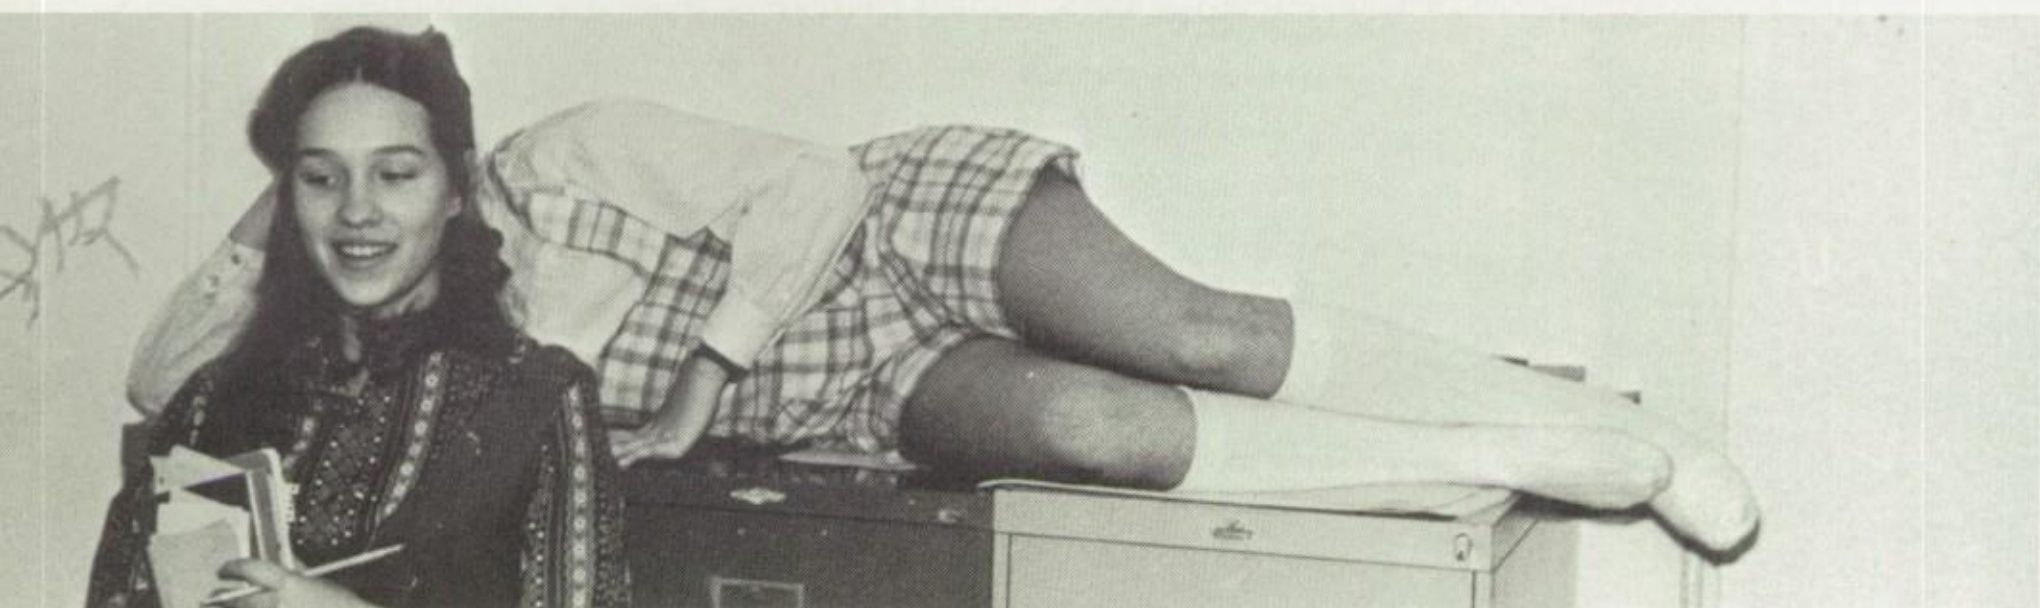

This year has really been fun, skipping
 out for lunch, morn's, ect. have fun
 this summer and good - it will be
 hard to do better so I guess you'll
 have to take your pick.
 We'll have to get together alot
 and keep in touch next year. Good
 Luck ALWAYS -
 BOOP the
 artist?

kind of about not too much. We're really had plan the
last 3 years but now that we're out we can have more
fun. I'll probably see you this summer and next
year on vacations. Take care of yourself!

In Memoriam

For everything there is a season and a time
for every matter under heaven.

A time to be born, and a time to die;

A time to plant, and a time to pluck up
what is planted;

A time to kill, and a time to heal;

A time to breakdown, and a time to build
up;

A time to weep, and a time to laugh;

A time to mourn, and a time to dance;

A time to cast away stones, and a time to
gather stones together;

A time to embrace, and a time to refrain
from embracing;

A time to seek, and a time to lose;

A time to keep, and a time to cast away;

A time to rend, and a time to sew;

A time to keep silence, and a time to
speak;

A time to love, and a time to hate;

A time for war, and a time for peace.

What gain has the worker from his toil?

Class of '72

Julie - Well this year is over - the time
 for me to go! I suppose you will always
 remember me as the "girl who was never on
 time to Math class" (that is if you remember
 me at all.) But really we had some fun
 times in that class, and really gave
 Mr. E. hard times. Have a great
 summer and be good!
 Best of Luck,
 Sandy

Julie, Well you finished
 Math was really
 something! With good
 old Mr. E. It was such
 a great year. Have a great
 summer! Take Care + Good
 Luck Always! Peace
 + Love
 Debbie C.

We are leaving a part of our-
 selves behind, but there will always
 be a time for remembering, even
 though our lives will be filled with
 new PEOPLE and PLACES.

Conni & Molly

We would like to thank everyone
 who made this year's Rambler pos-
 sible.

DAZZLER!!!

Do you know I still haven't met
your "Beatie" in fact who are they know??
I can't write. You know that. But ??? thanks
baking you pulled out - No St. Cloud. You
can't come & see me though. The little
really excited. I hope I could bring up
our "parties" and man everything else. But
there's too much. This whole page could
be filled with DON'T FORGETS but why
let's well remember. Take care for -
your welcome over at my house anytime.
You know that too!!! No more next years
to look forward to at Ramsey that's all
more to look forward too. (get it)
Next time you see beautiful
(Greg Johnson) call me at 646-2475 (just
in case you forget.)

for you Beatie -
have
"Beatie"

Take care
of DeB.

Julie.

Another year has gone by, These 3 years of Ramsey were really fun, Remembers when I first came to Ramsey? ~~and to the~~ In ~~the~~ gym class. and I didn't know how to speak English? I was really afraid I'll never forget the times when we skipped out to Mac's and when we went to pick up Kandy at the airport, and also driving up to "Tailors Fall" ^(?) and you and Paul sang all the way up because you didn't have a radio I'll tell you, you better get that Radio fixed ok. - and also going up to Mac's at Phalen lake to get some grease French. Fries boy are they good. - Oh well Ramsey was Really Fun I'll never forget it. ~~and~~ Best of luck allway in everything you do.

Always friends ok.

Olga Pastrana 7/1'

P.S

Julie I'll never forget the time when we went to that picnic and almost killed us I'll never forget it boy. -
